

15TH BELGIAN CLASSIC Trophy

GEDINNE

19-20-21 august 2022

SUPPLEMENTARY REGULATIONS

Art. 01 – Definition

The C.R.M.B. (Classic Racing Motorcycle Belgium, www.crm.b.e) will organize on 19, 20 & 21 August 2022, a classic motorbike meeting with FMB championship races and IHRO races. These races are open to Belgian and foreign riders. The meeting will be held under the international FIM (Fédération Internationale de Motocyclisme) sport code, the FIM Europe (Union Européenne de Motocyclisme) sport code, the national FMB (Fédération Motocycliste de Belgique) sport code, the IHRO (International Historic Racing Organisation) sport code and the present supplementary regulations. Agreement number is EMN 70/573.

The clerk of course, in agreement with the organiser, can exceptionally modify the regulations. Modifications will be noticed to the riders before practice sessions or before the races.

These regulations are published in French, Dutch and English. In case of doubt regarding interpretation, the French version will prevail.

Art. 02 – Track

Track of Gedinne, length: 5050m. Races will run clockwise.

Art. 03 – Track capacity

Practices & Races: Solo Clas 1: 48 motorcycles ; other Solo classes: 45; Sidecars: 30 sidecars

Parade: 45 motorcycles

Art. 04 – Licences (see ‘Règlement Classic Bike’ FMB-BMB : www.fmb-bmb.be)

A licence is requested for each category, also in de ‘Parade’.

You have 3 possibilities :

- FMB national or international licence Classic Bike
- The classic bike licence of your national federation; international or national **with start permission**
- A ‘One event’ licence ***that has to be requested via de FMB-BMB website www.fmb-bmb.be*** (80€ including insurance for repatriation, + 15€ if requested at the race office).

Art. 05 – Category ‘PARADE’

The acceptance of a motorcycle in the Parade category (see ‘Regulations Classic Bike’ 2022) will be decided on base of a file (description, history & 1 picture of the bike) that has to be added to the registration form. The final and definitive selection will be done by the members of the Organisation Committee of CRMB. Their decision is definitive and incontestable. In case of non-selection, the registration fees will be fully reimbursed. The committee has the right to refuse a candidature if the category is full.

The ‘Parade’ category is not a race; there is NOT ANY COMPETITION SPIRIT IN THIS CATEGORY. Any behaviour (aggressivity, irresponsibility ...) who wouldn’t correspond to this way of thinking will be punished by a meeting exclusion of the pilot.

Art. 06 – Technical regulation, equipment & classes

IHRO : see rules & regulations IHRO.

ATTENTION : subscription through the CRMB website is mandatory also

Leaving the track for any rider, for all Parade, training, race sessions must only & mandatory happen by the paddock access behind the chicane (post 4).

Art. 21 – Security & environment

The use of an environmental carpet under the motorbike is obligatory in the paddocks.

Keep your dogs on a lead.

The use of mini-bikes, scooters and moppets not corresponding to the Belgian legislation is forbidden in the paddock.

A 6kg powder fire extinguisher type ABC is **mandatory** on each camping lot.

There are special containers for used oils, filters...

Please use waste bags.

Approved by FMB,
The

Annex 1: environmental FMB rules & regulations

It is of crucial importance all participants to sports events strictly respect the environmental rules and regulations; only then the organization of these events can be assured for the future. That is why all environmental related requirements as stated below will thoroughly be checked by FMB officials and by the organizing committee. The race director is empowered to call for sanctions in case of any violation.

*Always put a usable environmental carpet underneath your motorcycle as well as underneath any power unit.

*Only wash up your motorcycle at the indicated cleaning venue. Hand washing your motorcycle is allowed on your paddock emplacement only if no special venue to high pressure clean has been provided for. Detergents are prohibited. Only the use of clear water is allowed (the organizers are requested to promptly adapt in relation to the local situations)

*Sewages or wastewater coming from mobile homes or campers can under no circumstance be drained onto the camping site, neither can they be discharged along the road from or to the race track.

*Limit the noise level. Exhausts should be equipped with an adequate silencing system thus to meet the noise level limits as described in the FMB technical regulations.

*Used tires, oils, filters and any toxic materials must be brought to special containers clearly indicated to this purpose. In case these containers are full or out of use, all these waste materials should be taken home by the teams and the racers.

*The use of helmet "tear-offs" is forbidden.

*Leave your paddock emplacement the way you have found it and don't leave any trash on the soil.

Annex 2: Protection of Personal Data

By the present document, I allow the a.s.b.l. Classic Racing Motorcycles Belgium, to compile my personal data and to use them according to the art. 2 of the statutes of the CRMB.

I can, at any moment and by simple e-mail to: info@crgb.be, interrupt this agreement.
